Dear friend,

Jagadguru Śrīśaṅkarācārya, the highest intellectual the world has ever produced, was unique in the history of thought as he combined himself the best qualities of a Sannyasin, Philosopher, Logician, Commentator, Poet and Organiser. He is the architect of the Monistic system of philosophy, and hence the system has been named after him. Śaṅkara never totally refuted any of the doctrines preached by his predecessors. He made all other doctrines as Upāyas to reach the Upeya- Advaita.

Śaṅkara throws behind him all Rṣis and philosophers of the world in presenting theories of Vedanta logically and practically. Even though Bhāratavarṣa have given birth to several great gurus, the honorary title '**Jagadguru**' is associated only with Śrīśaṅkarācārya.

In this lecture, **H. H. Swami Tattwamayanandaji**, a veteran Vedantic scholar of international repute, will deliberate on Śaṅkarācārya and his vision of oneness and how it becomes the strong foundation for social harmony and global peace, the urgent need of the day.

Kantaloor Sala Research Institute is proud to organize such a meaningful research-oriented lecture and discussion on the day of Sri Śaṅkara Jayanti. We invite your scholarly presence.
