Above is the emblem of the Ramakrishna Order depicting the union of the four paths by which the Supreme Being may be realized. The waves are symbolic of unselfish action; the lotus, love of God; the rising sun, knowledge; the serpent, awakening of spiritual power; and the swan, the Supreme Self.

KALI THE MOTHER

The stars are blotted out,
The clouds are covering clouds.
It is darkness vibrant, sonant.
In the roaring, whirling wind
Are the souls of a million lunatics
Just loosed from the prison house,
Wrenching trees by the roots,
Sweeping all from the path.

The sea has joined the fray,
And swirls up mountain waves,
To reach the pitchy sky.
The flash of lurid light
Reveals on every side
A thousand, thousand shades
Of Death begrimed and black—
Scattering plagues and sorrows,
Dancing mad with joy,
Come, Mother, come!

For Terror is Thy name,
Death is in Thy breath,
And every shaking step
Destroys a world for e'er.
Thou 'Time,' the All-destroyer!
Come, O Mother, come!

Who dares misery love,
And hug the form of Death,
Dance in Destruction's dance,
To him the Mother comes.
